

## THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

29 March 1982

Miss Lorna Brennan, Membership Secretary  
The Council on Foreign Relations, Inc.  
The Harold Pratt House  
58 East 68th Street  
New York, New York 10021

Dear Miss Brennan:

I am writing to endorse Roberta Wohlstetter's nomination of Timothy Wolf for term membership in the Council. Mr. Wolf is an excellent representative of a type of person who has the potential to contribute much to the activities of the Council in the years ahead. He is a young businessman -- on a fast track I judge -- whose work and interests include international affairs. His company, Pepsi Cola, has many international activities and these are likely to continue to grow. His academic background, as Roberta states in her letter to you, is most appropriate. And, as she says, he is an intelligence and engaging person.

Sincerely,

Henry S. Rowen  
Chairman

HR --

Have you done anything about this? 1 April  
is fast approaching.

CW, JR.

2/25/82

Roberta,

I am attaching a draft of the proposed nomination letter for Tim to the Council on Foreign Relations. Also, I am enclosing the phone numbers of [redacted]  
[redacted]

I'm sure you have Harry Rowen's office and home phones. Would you please call them to request one of them (preferably Harry) to write a seconding letter, which is required by the Council's nomination rules, and ask [redacted] to write endorsement letters. If you would prefer, I will be glad to make these calls, although I think it's more appropriate for you to do so if you're willing. Please let me know. Incidentally, the requisite nomination (1) and seconding (1) and endorsing (2 or 3) letters are required by the Council on or before April 1.

*Thanks.*

*Charles*
